Orientation & Transition Programs creates dynamic, student-centered experiences to inspire purposeful transitions.

The following expectations have been established to ensure the best possible experience for you, other students, family members, and guests who attend any OTP program and to promote and foster an inclusive and mission-centered OTP Office Assistant team that creates such experiences.

__________ I recognize and value Orientation and Transition Programs at Colorado State University, and I will actively work to ensure its success and model its mission at all times.

__________ I will strive to uphold and live out the Colorado State University Principles of Community.

__________ I will strive to make all participants feel welcome. I will remember my position as a role model and be patient and understanding in my interactions with participants. As a representative of the University I will make every effort to represent Colorado State University well. I will be aware that my actions have the ability to influence people’s opinions of the University and the CSU experience.

__________ I understand that my personal and professional decisions have a direct impact on perceptions of myself, OTP, and the University. I understand the unique, representative, and influential nature of this highly visible position, and will take responsibility for the experiences I create for others on behalf of OTP.

__________ I will not violate any Colorado State University policy, including those stated in the Student Handbook.

__________ I understand that throughout my time at CSU, I will continue to be viewed as a role model to those I have interacted with in this position.

__________ I will continue to be in good academic standing during the time of employment. Should my cumulative GPA fall below a 2.6, I will complete an academic success plan with my supervisor.

__________ I understand the role of an Orientation and Transition Programs staff member requires me to engage with individuals who have different identities, experiences and perspectives. I will not intentionally engage in any incidents of prejudice or biases related to (but not limited to) gender, sex, race, ethnic origin, sexual orientation, religion, ability, age, or appearance.

__________ I will maintain a high level of professionalism. This includes, but is not limited to, abstaining from the use of profanity or inappropriate language, avoiding personal and romantic relationships with participants or direct supervisees or supervisors during the term of employment, or talking poorly about other universities.
Fellow staff members will act as my support and resource network. I will rely on them for assistance and will be ready to assist any member of the team.

I will consistently demonstrate respect toward, and positive support for every member of the team. This includes having timely conversations regarding feedback and working to create a positive team environment for everyone.

I will hold my team accountable for their actions. This includes having conversations about not meeting shared expectations, job performance, and other related issues. I will communicate respectfully, openly, honestly, and appropriately about what is on my mind. I also understand that I have people on staff who are there to serve as resources during tough times.

I will neither criticize, nor recommend, specific organizations or businesses to new students. I will, instead, provide objective and impartial information regarding specific Colorado State University organizations and services.

I will not wear or display paraphernalia related to any specific campus organizations with which I may be affiliated during Orientation and Transition programming.

I will abide by all the alcohol and drug policies as outlined by Colorado State University and the state of Colorado.

I understand that alcohol and drugs will not be present or any part of any scheduled or unscheduled Orientation function.

I will not participate in or condone underage drinking or drug use personally and/or amongst team members and/or participants. In addition to being illegal, it is not the culture of our team.

If I am of legal drinking or marijuana consumption age (21), I will not wear Orientation and Transition Programs paraphernalia at any place or event where I may be seen consuming alcohol or marijuana, or where alcohol or marijuana is consumed (i.e. bars, parties, public events) before, during, or after my official employment responsibilities within OTP.

If I am of legal drinking or marijuana consumption age (21), I will not arrive to any scheduled program or staff training under the influence or recovering from being under the influence of alcohol or other drugs.

I will respect and honor the confidentiality of student records and other student information that I may come across.

I will be impartial when discussing specific courses, times, and instructors to ensure all students have an opportunity to create their own academic experience.

I will do my best to provide accurate information to participants. If I do not know the answer to a question, I will either find the answer or refer the person to the appropriate office or resource.

I will update and monitor my online community profiles including Facebook, Instagram, Twitter, and all others social media platforms to ensure that the information, pictures, groups, and any other public information are consistent with the agreement of the position. This includes references, either explicit or implied, to underage alcohol consumption, illegal drug use, and any other inappropriate behavior. I understand that this agreement applies to me no matter what I set the privacy settings to.

I will be on time for all events, activities, and office hours. I understand that my contributions to the team and to the program are unique and that if I am late or absent, the team and the program are not complete. Failing to be on time may cause the entire team to be earlier for the next assigned meeting, individually having to report earlier, or other ramifications.

I will be present myself according to Orientation and Transition Programs attire guidelines when specifically asked.
I understand that the position involves a demanding schedule, and that I will be required to work the hours necessary to create and maintain a successful program. This may include early mornings, late evenings and additional hours. I will commit any additional time and effort necessary to ensure that we are completely prepared every program.
